EXPERIENCE

Software Engineer (Angular & Spring Boot) - Apprenticeship, Capgemini - Rennes Sept 2024 - Aug 2025

- Developed backend **microservices** using **Spring Boot**, including **RESTful APIs**
- Built and maintained responsive frontend components using **Angular**
- Implemented file upload and download workflows using **AWS S3** cloud object storage within **Spring Boot microservices**
- Participated in **Agile Scrum** ceremonies (stand-ups, sprint planning, retrospectives) and estimated **user story** complexity using **Jira**
- Wrote clear **technical** and **functional documentation** for **features** using **Confluence**
- Ensured application reliability through **code reviews**, **unit testing**, and **log monitoring** using **JUnit**, **Mockito**, **SonarQube**

Stack: **Spring Boot, Angular, AWS S3, Maven, GitLab CI/CD, JUnit, SonarQube, Semgrep, Elasticsearch**

Software Engineer (Java) - Apprenticeship, Capgemini - Rennes Sept 2023 - Aug 2024

- Developed backend **features** using **Java** and **Python**, delivering fully functional modules
- Wrote and optimized **PostgreSQL queries** to ensure efficient data processing
- Conducted **integration tests** using **HP-ALM**, identified and resolved **defects** to validate feature functionality
- Independently developed and **automated** 75+ **functional UI tests** using **JMeter**, creating a reusable library of test scenarios executed periodically with automated reporting
- Performed deployments using **Jenkins** and **TortoiseSVN**, managing commits and automated processes

Stack: **Java, Python, PostgreSQL, HP-ALM, JMeter, Jenkins, TortoiseSVN, pipeline CI/CD**

EDUCATION

University of Rennes ISTIC, France

Graduated: **2025**

Master en Ingénierie Logicielle (Master's Degree in Software Engineering)

Level in EQF: 7, *With Merit*

PROJECTS

Project&Cnct Dec 2025 - Present

- Leading a team of 4 developers on Project&Cnct, a platform where developers collaborate on purposeful projects, pitch ideas, and build portfolios
- Developing features using **React** for front-end and **Spring Boot** with **PostgreSQL** for back-end, with containerization using **Docker**
- Developing and documenting **APIs** using **Swagger** to support front-end/back-end integration
- Managing project planning, task tracking, and collaboration using **GitHub** and **Jira**, ensuring smooth team coordination

Stack: **React (TypeScript), Spring Boot, PostgreSQL, Docker, Swagger, Keycloak, GitHub, Jira**

Ti Bel Plat Kreol Dec 2025 - Present

- Building a commercial web platform for a Creole restaurant to display menu offerings and process online orders
- Implementing front-end with **Next.js (React)** and back-end services with **Node.js**

Stack: **Node.js, Next.js, Tailwind CSS**

Hackathon Feb 2025

- Developed a fully functional HR reservation application in one week as part of a 5-member team
- Implemented front-end using **Vue.js** and back-end with **Spring Boot**, containerized with **Docker**
- Contributed to **architecture** decisions, **PostgreSQL** database design, and system scalability and monitoring using **Prometheus** and **Grafana**
- Managed collaboration, version control, and task distribution using **GitLab CI/CD**

Stack: **Vue.js, Spring Boot, Docker, PostgreSQL, Prometheus, Grafana, GitLab**

EduCheck Apr 2023 - Jun 2023

- Developed a **native Android mobile** application in **Java** as part of a 4-member team (*ranked Top 3 final-year projects*)
- Implemented core features including attendance tracking, grade management, timetable scheduling, and in-app messaging

Stack: **Java, Android Studio**

SKILLS

Spoken Languages: English (Professional working proficiency), French (Fluent)

Programming: Java, Spring Boot, REST APIs, Python, Node.js, PHP, JavaScript, TypeScript, React, Angular, Vue.js, Next.js, HTML/CSS, PostgreSQL, MySQL

DevOps & Tools: Git, GitLab CI/CD, Jenkins, Docker, Maven, Gradle

Testing & Quality: JUnit, Mockito, JMeter, SonarQube, Semgrep

Soft Skills: Problem-solving, Teamwork, Adaptability, Time management, Attention to detail, Open to feedback, Eagerness to learn
